

Personality Insights for Moms! by Susan Crook

Chapter 2 - D-I-S-CUSSION QUESTIONS (answered individually or in groups)

1) Have you taken a personality assessment before, but have difficulty remembering what the results were? (Please describe.)

2) Do you or someone you know have a natural talent? Have you successfully worked hard to learn something that didn't come naturally to you? What were the benefits? (Please describe.)

3) Can you see the value in knowing how we would respond to one kind of animal compared to another, and how that relates in responding to different types of personality styles? (Please describe.)
