

## Personality Insights for Moms! by Susan Crook MULTIPLE AWARD-WINNING BOOK

Chapter 31 - D-I-S-Cussion QUESTIONS (answered individually or in groups)

1)	Can you recall a situation with an "S" child when he or she was motivated by appreciation, security, or assurance? Please describe.
2)	List three things the slower-paced and indecisive "S" child could do after school to recharge!
3)	Please describe a motivation strategy to use with the sensitive "S" child (who saves everything) for cleaning his or her room.
