Chapter 17: D-I-S-CUSSION QUESTIONS – (Answered individually or in groups)

1) Name and describe any positive and negative "S" personality traits you've experienced with your child.

2) Name or describe a situation where you feel an "S" child has been out of control with sensitivity, shy, or wanting to belong?

3) How would you show an "S" child support? What else could you do to encourage the positive attributes of this personality style?
